

NEHA MAHADEV KORE

nehakore467@gmail.com | +91-8766053029 | Bengaluru, Karnataka, India

PROFESSIONAL SUMMARY

Full Stack Developer with 1 year of professional and internship experience in Java, Spring Boot, and frontend technologies. Strong foundation in OOP principles, REST API development, and responsive web design. Proven ability to develop scalable applications, collaborate in Agile teams, and deliver high-quality code.

PROFESSIONAL EXPERIENCE

Software Engineer

GTechnoHub Solutions Pvt. Ltd. · Nov 2025 – Present · Bengaluru, India

- Developed and maintained enterprise backend services using Java and Spring Boot for scalable web applications
- Built Cake Dairies e-commerce platform with innovative group billing feature for shared bill splitting
- Developed features for Glow Care healthcare/beauty platform including REST APIs and service layers
- Implemented pet e-commerce application with browse, select, and purchase functionality
- Collaborated with cross-functional teams using Agile methodology; participated in code reviews and sprint planning
- Adhered to OOP principles: Polymorphism, Encapsulation, and Abstraction ensuring maintainable code

Web Developer Intern

Revonextsoft Technologies Pvt. Ltd. · Feb 2025 – Jun 2025 · On-site

- Developed responsive, user-friendly web applications using HTML5, CSS3, JavaScript, and React.js
- Collaborated with designers and backend teams to deliver scalable UI components and resolve performance issues
- Improved application performance through comprehensive testing and structured feedback loops

Java Full Stack Developer Intern

Vstand4U Technologies Pvt. Ltd. · Feb 2025 – Jul 2025 · On-site · 6-month Intensive Program

- Completed intensive 6-month Java Full Stack training covering Core Java, Spring Boot, SQL, HTML, CSS
- Built multiple full-stack mini-projects applying OOP, functional programming, and database integration
- Gained hands-on experience with Java Collections Framework, exception handling, and RESTful API development
- Developed responsive frontend components using HTML5 and CSS3, building foundation for React.js development

EDUCATION

Bachelor of Engineering, Computer Science & Engineering

Visvesvaraya Technological University, Belagavi, Karnataka

2021 – 2025

CGPA: 8.6 / 10

12th Pre-University (Science)

New English School & Jr. College, Madgyal, Maharashtra

2021

93.33%

Matriculation (SSC)

New English School & Jr. College, Madgyal, Maharashtra

2019

83.20%

TECHNICAL SKILLS

Programming Languages : Java, SQL, Python (Basic)

Web Technologies : HTML5, CSS3, JavaScript, React.js, REST APIs

Frameworks & Libraries : Spring Boot

Databases : MySQL, SQL

Core Concepts : OOP, Collections Framework, Data Structures & Algorithms, Exception Handling

Tools & Platforms : Visual Studio Code, Eclipse IDE, Git, GitHub, Maven

PROJECTS

Data Leakage Detection Using Cloud Computing

Selected by KSCST (Karnataka State Council for Science and Technology)

- Designed cloud-based solution for detecting unauthorized data sharing and preventing sensitive data leakage
- Integrated access control mechanisms and monitoring systems to enhance data security in cloud environments
- Technology Stack: Python, Flask, Dropbox Cloud API

Alumni Management System Web Application

- Developed comprehensive web-based platform for storing, retrieving, and managing alumni information
- Implemented advanced search functionality enabling remote access to alumni records with secure authentication
- Technology Stack: HTML5, CSS3, JavaScript, MySQL

Travel Management System Web Application

- Created user-friendly travel booking interface with comprehensive data management capabilities
- Integrated SQL database to efficiently handle bookings, user profiles, and destination information
- Technology Stack: HTML5, CSS3, JavaScript, SQL

LANGUAGES

English (Fluent) • Kannada (Native) • Marathi (Fluent) • Hindi (Fluent)

INTERESTS & HOBBIES

- Passionate about listening to music and staying updated with latest technology trends
- Enthusiastic learner constantly exploring new technologies and development concepts

DECLARATION

I hereby declare that the information provided in this resume is true and accurate to the best of my knowledge and belief.
